DETAILED ACTION

Allowable Subject Matter

1. Claims 1-11 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior arts fails to teach a coordinate input device for generating a coordinate value corresponding to light coming from a pointing tool, comprising: optical means for imaging the light; a plurality of sensing means, arranged for one coordinate axis, for sensing the light imaged by the optical means, wherein light-receiving areas of the plurality of sensing means have an overlapping portion; measurement means for measuring peak levels of data sensed by the plurality of sensing means arranged for the one coordinate axis; comparison means for comparing the peak levels measured by the measurement means; selection means for selecting one of the plurality of sensing means arranged for the one coordinate axis on the basis of a comparison result of the comparison means; and output means for outputting a coordinate value corresponding to the light on the basis of the sensing means selected by the selection means .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
